ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

For the reasons stated on the record at the October 21, 2021 conference, this order resolves the parties' applications filed at Dkts. 145 and 147.

1. Plaintiff's request for appointment of a guardian ad litem and to file for summary judgement are denied without prejudice as premature.
2. The deposition of Marcus Mona may proceed by virtual means.
3. Requests to preclude will be dealt with on an individual basis at the appropriate juncture; generally speaking, however, parties will be precluded from introducing evidence that they could and should have produced in response to discovery requests..
4. Plaintiff's renewed request for partial execution on the judgment is denied without prejudice.

SO ORDERED.
